

DRAGAN KLAIC

Sarajevo, April 27th, 1950 – Amsterdam, August 25th, 2011

Last Thursday, Dragan passed away in peace.

He endured his illness with great courage and dignity. He maintained his positive spirit throughout the long hospitalization, and his inexhaustible imagination kept creating new ideas until the last moment.

Many will remember his brilliant mind, his generosity, his deep commitment to friends and work, his sense of humor, and his capacity to love, share and support. His joy of life came shining through in his neverending appetite for good books, opera, theatre, museums, and of course the best food and wine. Above all, he enjoyed sharing these experiences around the Ikea table with the friends who visited us from all over the world.

It was our exceptional privilege to share so many loving years with Dragan. The countless memories will keep his spirit alive and soften our grief.
