*Tell me what you eat and I'll tell you who you are*, is famous sentence of the first modern European gastronome Brillat-Savarin.

*Cuisine is not just an ordinary content of collective identity, it is its pride! The diversity and joy of preparing and consuming food are for centuries the great in Northern Europe.*

You will have the pleasure to taste dried reindeer meat, Norwegian caviar, marinated fish, fish pudding, caviar and salmon pate, pancakes with "Nordic orange" ...

Many more surprises are waiting for you!
